MARCH/APRIL 2026

Dear Parents and Carers,

Welcome back after the Easter break. It already feels like the holiday was quite a while ago as we move swiftly into what promises to be another busy and exciting summer term.

We had lots going on in the spring term, including our Rock Kidz Day, which was thoroughly enjoyed by both the children and staff. It was wonderful to see so much enthusiasm and engagement from everyone involved.

We also held our Mother's Day Secret Room, which was a great success, and we are looking forward to doing the same for Father's Day. Please keep an eye out for final details coming soon.

Some of our children were also lucky enough to be mascots at Boreham Wood FC, which was a fantastic opportunity and a huge success. The children absolutely loved the experience and made some wonderful memories.

As we head into the summer term, there are many exciting events and activities planned, so please make sure you keep up to date with everything that will be happening.

There is certainly lots to look forward to!

Warm wishes,
Miss Woode

Year 3 Enviromental Requests

Year 3 recently completed a Literacy unit based on *Stella and the Seagull*, exploring the impact of plastic pollution on wildlife. Inspired by the story, pupils wrote persuasive speeches on environmental issues such as recycling, littering and composting. They shared their ideas with Ms Woode, requesting positive changes within the school. In response, Miss Woode wrote back and has given the children responsibility for helping to implement these improvements—an opportunity they are very excited about. Watch this space!
